Dear Mr B [REDACTED]

I have had a conversation with the site and again made clear the urgency of dealing with this for you: thank you for your patience.

Members of staff are currently cross referencing the care plan with your list of inaccuracies and a package is being prepared for you. I have been assured that the care plan will be sent to your home address by registered post by Friday at the latest. I will continue to check with the site to ensure that this deadline is not missed.

Yours sincerely,

M. D. [REDACTED]
