Dear Mr D [REDACTED],

Please find attached the document created on the 23rd September 2016, which I received from H [REDACTED] House. You will note the absence of my brother's care and support plan; this is due to not having received it as promised.

The Information Commissioner's Office case officer informed me that I should take this forward with you directly.

I shall email your colleague, Mr G [REDACTED], at H [REDACTED] House about the care plan, or lack of, and continued issues, I shall cc you into the email.

I look forward to your reply.

Sincerely

C [REDACTED] B [REDACTED]
